

How to take a Corner

Chester FC midfielder Dec Weeks is an expert at taking corners but it's not an easy skill to master so we need you to write instructions on how to take a corner.

Think about corners you have watched live or on TV. What do the takers do? How could you explain how to take a great corner?

Look at our example below and use the top tips to help you then have go at writing your instructions on plain paper.

TOP TIPS FOR WRITING INSTRUCTIONS

Equipment: Write a list of the equipment needed.

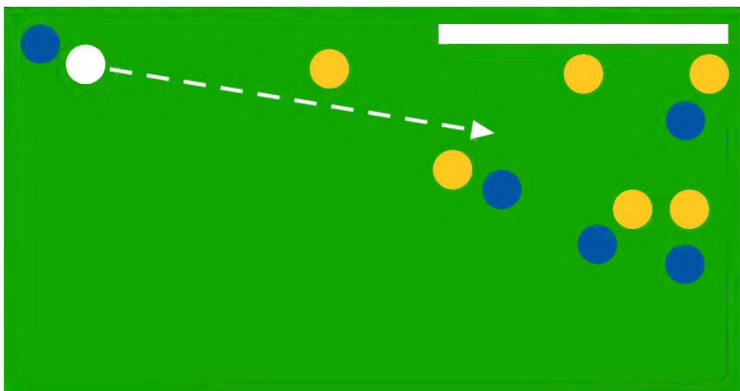

Imperative Verbs: Remember to use imperative (bossy) verbs at the start of each step e.g. Place, Step, Wait, Signal, Strike etc.

Steps: Use steps in chronological order and make them simple and clear. Include adverbs e.g. carefully, patiently etc.

Diagram: Draw a simple diagram and refer to it in your steps.
